### SONS OF THE AMERICAN REVOLUTION

#### President's Message—Preston Thomas Higgins, II

Compatriots: My term as President is going fast. I have visited ten chapters and feel like I have made many new friends along the way. I think we are making progress in developing working relationships with the DAR and C.A.R. Keep up the good work.

I miss not seeing some of you at our state meetings. We have some important decisions to make in the near future. If you are not there, your voice will not be heard.

We also miss hearing a report on what your chapter is doing. I will be sending an activity report to the Chapter Presidents. Please complete this report and return it to me. We will use this as your chapter report if you are not present at the state meeting. We will also combine your information with that received from the rest of our chapters as we compete for some of the National awards.

Keep in mind that you are an ambassador and recruiter for your chapter. Talk up the SAR every chance you get!

Preston Thomas Higgins, II
